

### REMARKS

In response to the Notice of Drawing Inconsistency with Specification dated December 4, 2008 indicating that FIG. 8 is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification, paragraph [0018] has been amended in the specification to add a brief description of FIG. 8. No new matter has been added as the amendments have support in the specification as originally filed.

In view of the above remarks, Applicant submits that the present application is in condition for issuance upon payment of the issue fee which is due February 9, 2009. If for any reason the Examiner finds the application other than in condition for issuance, the Examiner is requested to call the undersigned at the Los Angeles, California telephone number (213) 623-2221 to discuss the steps necessary for placing the application in condition for issuance.
